IELTS Evening Saver 1-1 Course

ONE TO ONE ENGLISH

Course Description (Academic Module)

The IELTS Evening Saver 1-1 course programme can cover all or just some of the four sub-tests of the IELTS examination: Listening, Reading, Writing and Speaking. It is restricted to students with at least intermediate level English, and is suitable for those taking IELTS for the first time, or who have already taken the IELTS exam and need to increase their score. You will be advised when you apply how many lessons you may need to achieve your target IELTS score.

As this is a one-to-one course, you can choose how much course time you wish to give to each sub-test, or you can take a course covering all four sub-tests equally. For example, you may choose to get practice in representative samples of the main Listening and Reading task types; a range of Writing Task 1 and Task 2 question types; all sections or specific sections of the Speaking test. You can also choose how much homework you wish to do.

Another advantage of this one-to-one course is that there is maximum opportunity to get feedback from your teacher on written work and speaking, and to develop reading and listening skills through targeted practice of specific question types.
