Course Description

The TOEFL Intensive 1-1 “6-Day” course programme can cover all or just some of the four sub-tests of the TOEFL iBT examination: Listening, Reading, Writing and Speaking. It is restricted to students with at least Intermediate level English. As this is a one-to-one course, you can choose how much course time you wish to give to each sub-test, or you can take a course covering all four sub-tests equally. You can also choose how much homework you wish to do. Over a typical course you get practice in representative samples of the main Listening and Reading question types, and a range of Integrated and Independent Writing and Speaking tasks. Another advantage of this one-to-one course is that there is maximum opportunity to get feedback from your teacher on written work and speaking, and to develop reading and listening skills through targeted practice of specific question types.
