Course Description

TOEFL Course: The TOEFL Saturday Max-6 course programme covers all the four sub-tests of the TOEFL iBT examination: Listening, Reading, Writing and Speaking. It is restricted to students with at least Intermediate level English, and is particularly suitable for those who have already taken the TOEFL examination and need to increase their score.

Approximately equal class time is usually given to each sub-test and there is at least 3 hours homework each course day which includes personalised real-world integrated Writing and Speaking tasks. Over the course you get practice in representative samples of the main Listening and Reading question types, and a range of Integrated and Independent Writing and Speaking tasks. An advantage of the small group course is that there is plenty of opportunity to get feedback from your teacher on written work and speaking, and to develop reading and listening skills through targeted practice of specific question types.

General English Course: The General English Saturday Max-6 course programme is based on coursebooks and CDs exclusive to One to One English and focuses on Speaking, Pronunciation, Vocabulary, Listening and Grammar.
