### Course Description

The TOEIC Intensive 1-1 “5-Day” course programme can cover all or just some of the four sub-tests of the TOEIC examination: Listening, Reading, Writing and Speaking. ### Course Description

The TOEIC Saturday Saver 1-1 course programme can cover all or just some of the four sub-tests of the TOEIC examination: Listening, Reading, Writing and Speaking. The Test of English for International Communication (TOEIC) is an English language test designed specifically to measure the everyday English skills of people working in an international environment. This course is aimed at students with Early Intermediate / Intermediate level English, and is particularly suitable for students who want to improve their work-related English or who have taken the TOEIC before and want to increase their score.

As this is a one-to-one course, you can choose how much course time you wish to give to each sub-test, or you can take a course covering all four sub-tests equally. You can also choose how much homework you wish to do. Over a typical course you get practice in representative samples of the main Listening and Reading question types, and a range of Writing and Speaking tasks. Another advantage of this one-to-one course is that there is maximum opportunity to get feedback from your teacher on written work and speaking, and to develop reading and listening skills through targeted practice of specific question types.
