Course Description

TOEIC Course: The TOEIC Saturday Max-6 course programme covers all the four sub-tests of the TOEIC examination: Listening, Reading, Writing and Speaking. The Test of English for International Communication (TOEIC) is an English language test designed specifically to measure the everyday English skills of people working in an international environment. This course is aimed at students with Intermediate level English, and is particularly suitable for students who want to improve their work-related English or who have taken the TOEIC before and want to increase their score. Approximately equal class time is usually given to each sub-test and there is at least 3 hours homework each course day. Over the course you get practice in representative samples of the main Listening and Reading question types, and a range of Writing and Speaking tasks. An advantage of the small group course is that there is plenty of opportunity to get feedback from your teacher on written work and speaking, and to develop reading and listening skills through targeted practice of specific question types.

General English Course: The General English Saturday Max-6 course programme is based on coursebooks and CDs exclusive to One to One English and focuses on Speaking, Pronunciation, Vocabulary, Listening and Grammar.
